

DANIEL R JAMES VIDEO EDITING CV / RESUME

ABOUT

An accomplished AVID and FCP editor, operating globally, with strong storytelling skills and a wealth of experience on high-profile shows for major broadcasters.

I am well versed in a variety of formats, from documentaries such as **The Story of Aardman**, to mainstream entertainment including **Bradley & Barney Walsh: Breaking Dad**, **Britain's Got Talent** and **The Masked Dancer**, as well as reality series **Love Island** and **First Dates**.

I'm getting more involved in each show I work on, launching Love Island to the U.S., being lead editor on both new formats like **Don't Rock The Boat** and established formats such as the multi award winning **Ant & Dec's Saturday Night Takeaway**. I have been brought on as a finishing editor for one of **Netflix's** most popular shows, **Too Hot To Handle**, and for a new **Disney+** series following a world-famous ex-footballer as he mentors a grassroots youth football squad.

My skillset includes strong sense of narrative, a natural flair for pacing as well as music editing, and an ability to create a strong visual style including broadcast quality animated graphics, which has led to the creation of a graphics company **Cheeky Beagle Ltd.** (www.cheekybeagle.tv)
